Dear Parent/Guardians of Future 6th Grade Student:

We appreciate your support in helping your child to have a successful school year. Brightwood is dedicated in providing all students with the necessary study skills to be successful. These skills will be a strong focus in the 6th grade. One way in which we hope to accomplish this is by modeling and teaching the importance of organization and being prepared for class.

These are supplies commonly used by 6th grade students. Any donations are greatly appreciated.
