

Brightwood School PTA

Read-a-Thon Pledge Sheet

Student's Name: _____ Grade: _____ Teacher: _____ Reading Goal: _____ minutes

The above student is asking you to sponsor them for a per-minute pledge (suggested 5 cents per minute) or a flat-rate pledge (suggested \$25). They will collect the per-minute pledge donation from you after the Read-a-Thon. It is recommended that the flat-rate pledge be collected at the time of the pledge. Please make checks payable to **Brightwood School PTA**. All donations are tax-deductible. Thank you for your support!

To estimate what the per-minute pledge will be, use this formula:

$$\frac{\text{Daily Minutes}}{\text{Days}} \times \frac{\text{Total Minutes}}{\text{Days}} = \text{Pledge Per Minute} = \frac{\text{Total Pledge}}{\text{Total Pledge}}$$

Example:

$$\frac{30 \text{ Daily Minutes}}{21 \text{ Days}} = \frac{630 \text{ Total Minutes}}{21 \text{ Days}} = \$0.05 \text{ Pledge Per Minute} = \$31.50 \text{ Total Pledge}$$

To calculate the actual total due for per-minute pledges, enter your total minutes from your Calendar Sheet [] and multiply it by the per-minute pledge.

Sponsor Name	Street Address	City	State	Zipcode	Phone	Per Min. Pledge	Flat Rate Pledge	Amount Paid
